

Donating to the Foundation is a wise choice, because the Edmundston Regional Hospital remains a significant asset for the entire region.

Leave a legacy

*An important asset
for our region*

With the continued support of its benefactors, Edmundston Regional Hospital the Foundation is able to maintain and expand medical services to the people of the region.

Donating to the Foundation allows a benefactor to contribute to a cause close to their heart while taking full advantage of tax, financial and succession benefits.

The easiest way to do this is through a bequest, which designates the Edmundston Regional Hospital Foundation Inc. as the testamentary beneficiary. A bequest can be included in anyone's will – you don't have to be rich! Discuss this with your legal or financial professional. Also, if your financial situation changes, you can change your bequest at any time. The exact appellation (or designation) that you need to indicate in your will is: La

Fondation de l'Hôpital régional d'Edmundston Inc.

Times change, and so do health care needs. The Foundation endures because of its vision to make a difference through its actions and donations to help improve the health of our population.
